### 1. Basis of Presentation

The accompanying financial statements of HOW Insurance Company, a Risk Retention Group, in Receivership (the "Company" or "HOWIC"), have been prepared in conformity with accounting practices prescribed or permitted by the National Association of Insurance Commissioners ("NAIC") and the Bureau of Insurance (the "Bureau"), State Corporation Commission (the "Commission") of the Commonwealth of Virginia, including full adoption of the reporting requirement adopted by the NAIC in September 1995 for "Unearned Premium - Single or Fixed Premium Policies with Coverage Periods in Excess of Thirteen Months."

### 2. Receivership

On October 14, 1994, in Cause No. HE-1059-1, styled Commonwealth of Virginia ex rel. State Corporation Commission and Steven T. Foster, Commissioner of Insurance v. Home Warranty Corporation, Home Owners Warranty Corporation, and HOW Insurance Company, a Risk Retention Group, the Circuit Court of the City of Richmond, Virginia, entered its FINAL ORDER APPOINTING RECEIVER FOR REHABILITATION OR LIQUIDATION (the "Receivership Order"), appointing the Commission permanent Receiver of the Company, as well as its parent, Home Warranty Corporation ("HWC"), and its affiliate, Home Owners Warranty Corporation ("HOW") (collectively, "the Companies"). The Receivership Order also appointed Steven T. Foster, Commissioner of Insurance of the Bureau, as Deputy Receiver, and Patrick H. Cantilo as Special Deputy Receiver of the Companies. In May of 1996, Alfred W. Gross replaced Steven T. Foster as the Commissioner of Insurance of the Bureau and as Deputy Receiver of the Companies. In January of 2011, Jacqueline K. Cunningham replaced Alfred W. Gross as the Commissioner of Insurance of the Bureau and as Deputy Receiver of the Companies.

The liabilities of the Company will be paid subject to the payment priority scheme authorized by Virginia law. This financial statement has been prepared in conformity with the format adopted by the Bureau, and therefore, this financial statement does not segregate the Company's liabilities by order of payment priority.

The Receivership Order directed the Receiver, Deputy Receiver, and the Special Deputy Receiver to take control and possession of all of the Companies' property and affairs. The Deputy Receiver takes the place of the Board of Directors for the purpose of answering the various "General Interrogatories." Also, the "General Interrogatories" have been answered to the best of the Deputy Receiver's and her Authorized Representatives' knowledge and may be subject to change. Information for periods prior to October 7, 1994, is presented as previously reported to the Bureau by the Company or as presented in the books and records of the Company. The Deputy Receiver continues to evaluate the way in which the Company reported its pre-receivership information.

On March 12, 1996, and May 2, 1996, the Company entered into administrative service arrangements (the "Service Agreements") with third-party companies for the administration of certain specified aspects of the Company's operations and affairs. The Service Agreements enabled the Company to close its administrative office in Irving, Texas, on April 30, 1996, at which time it terminated most of its employees. The remaining employees of the Company were terminated in July of 1996.

In January of 1997, the Company applied for recognition of tax-exempt status under Internal Revenue Code ("IRC") Section 501(c)(15) retroactively to January 1, 1995. On April 10, 1997, HOWIC received a favorable determination letter from the Internal Revenue Service ("IRS") which recognized the Company as tax-exempt as of January 1, 1995. As a result of this determination, all income received by the Company since January 1, 1995, was exempt from federal income taxes. The tax exemption, as allowed for HOWIC under Section 501(c)(15) of the IRC, was not effective after December 31, 2007, because of changes in the applicable law.

On September 22, 2005, in accordance with the "Plan" described in Note 10(B) below, the Deputy Receiver filed a private letter ruling ("PLR") request with the IRS and requested rulings from the IRS as to the federal income tax consequences of the "Plan" for the liquidation of the Company and its parent company, HWC. Specifically, the Deputy Receiver sought rulings from the IRS to determine the tax status of certain matters related to the "Plan." On January 25, 2006, by PLR Ruling PLR-149808-05, the IRS ruled in favor of the Deputy Receiver's PLR request as follows:

a) No gain or loss will be recognized by HWC upon the receipt of the assets and liabilities of its subsidiary, HOWIC, under Section 332 of the IRC;

- b) No gain or loss will be recognized by HOWIC on the distribution of its assets to, or the assumption of liabilities by, HWC in complete liquidation under Section 337(a) of the IRC;
- c) HWC's basis in each asset received from HOWIC will be the same as the basis of that asset on the books of HOWIC immediately prior to its liquidation under Section 334(b)(1) of the IRC;
- d) HWC's holding period in each asset received from HOWIC, as a result of the liquidation of HOWIC, will include the period during which that asset was held by HOWIC under Section 1223(2) of the IRC; and
- e) HWC will succeed to, and take into account the items of, HOWIC as described in Section 381(c) of the IRC, subject to the conditions and limitations specified in Sections 381, 382, 383, and 384 of the IRC and regulations thereunder.

### 3. Investments

Bonds are amortized using the scientific method.

The Company's investment guidelines provide as follows: (a) up to 100% of its assets may be invested in fixed-income securities rated NAIC Class 1; (b) up to 25% of its assets may be invested in fixed-income securities rated NAIC Class 2; (c) up to 10% of its assets may be invested in fixed-income securities rated NAIC Class 3; and (d) up to 2% of its assets may be invested in fixed-income securities rated NAIC Class 4, provided that such Class 4 securities are rated no lower than BB by Standard & Poor's or any equivalent nationally recognized securities rating organization. The Company may not invest in fixed income securities rated NAIC Class 5 or lower without the approval of the Deputy Receiver. The Company may not invest in equities. All investment assets were transferred to HWC in the fourth quarter of 2014. Therefore, only cash and investment income for 2014 appear in this final annual report for HOWIC.

### 4. Reserves

The Company's total reserves as of December 31, 2013, were \$1,524,000. As of December 31, 2014, the Company's total reserves were \$0, because all liabilities were transferred to HWC in the fourth quarter of 2014. Incurred losses and unallocated loss adjustment expenses paid through the fourth quarter of 2014 total \$1,152,073.

### 5. Debt

The Company has no outstanding debt obligations to third parties.

### 6. Claims Payments

On November 29, 1994, the Deputy Receiver issued the First Directive (the "Directive") which authorized initial payments of 40% on approved direct claims for the cost of repairing defects to homes which are covered by the Company's warranty. The unpaid portion of the approved direct claim is reflected as "Loss payments - deferred" in the liabilities. The same Directive imposed a moratorium on the payment of "indirect claims" under the Company's warranty, which include, but are not limited to, amounts owed for extra-contractual obligations, non-economic damages, consequential damages, litigation costs and attorney fees.

A second directive dated January 23, 1996, increased the direct claim payment rate to 50%. The Company began paying direct claims at the 50% rate in February of 1996.

A third directive dated December 28, 1998, increased the direct claim payment rate to 60% and directed that the following indirect claims are reclassified as direct claims: (i) claims approved by the Deputy Receiver for damages determined to be extra contractual obligations of the Company, non-economic damages, consequential damages, litigation costs or attorney fees incurred by a home owner or member builder in asserting a claim against the Company before receivership; and (ii) claims approved by the Deputy Receiver for litigation costs and attorney fees incurred by a member builder in an action brought against the member builder to recover under the Major Structural Defect Insurance coverage provided by the Company. The Company began paying claims at the 60% rate in January of 1999.

A fourth directive dated August 13, 1999, increased the direct claim payment rate to 70%. The Company began paying direct claims at the 70% rate in October of 1999. A fifth directive dated November 14, 2000, increased the direct claim payment rate to 100%. The Company began paying direct claims at the 100% rate in November of 2000.

On July 16, 1999, the Deputy Receiver approved the payment of 8% simple interest on all deferred direct claim amounts accrued since October 14, 1994, until the date that such claims are paid, if at all, by HOWIC in receivership. Such interest would be paid only after satisfaction of all other claims of higher priority. Subsequently, the Deputy Receiver's Sixth Directive declared that effective on and after October 1, 2005, the Company will pay 6% simple interest on all deferred direct claim amounts until the date that such claims are paid, if at all, by HOWIC in receivership. The total interest accrued on all deferred direct claims is approximately \$8,691,481 as of December 31, 2014. No interest on deferred loss settlements will be paid until all direct and deferred direct claims have been paid in the receivership. As noted above, all of the Company's liabilities, including deferred interest were transferred to HWC in the fourth quarter of 2014.

The Deputy Receiver has entered into claims handling agreements with certain builders in which such builders settle the direct claims of their customers.

Under the terms of the Receivership Appeal Procedure, claimants are permitted two levels of appeal for denied claims. The first level of appeal is to the Deputy Receiver. The second level of appeal is to the Commission if such claim appeal is denied by the Deputy Receiver. From the inception of the receivership through December 31, 2014, approximately 1,378 appeals and 218 Petitions for Review have been filed with the Deputy Receiver and Commission, respectively. The majority of these appeals involve claims by home owners for the following: (a) Major Structural Defect coverage for claims arising in the third through the tenth year after the home's construction, and (b) Builder's Limited Warranty/Builder Default coverage for defect claims arising during the first two years after the home's construction.

In regard to the appeal and petition information and statistics referenced by the preceding paragraph, there have been approximately 1,113 home owner appeals, 190 builder appeals, 37 vendor and local council appeals, 9 attorney fee appeals, 8 former employee appeals, 6 appeals relating to additional distributions authorized by the third directive of the Deputy Receiver, and 15 appeals of former members of the Company's Board of Directors and others submitted to the Deputy Receiver. In addition, there have been approximately 139 home owner petitions, 52 builder petitions, 10 vendor and local council petitions, 2 attorney fee petitions, 6 former employee petitions, and 9 petitions of former members of the Company's Board of Directors and others submitted to the Deputy Receiver. Generally, builder appeals involve disputes with respect to determinations of responsibility for making certain home repairs under the Builder's Limited Warranty. Further, builder appeals include, but are not limited to, claims for the refund of loss reserve prepayments, capital contributions, and enrollment fees. The appeals from claimants other than home owners generally involve fees for goods and services provided to the Company prior to the inception of the receivership proceedings.

### 7. Related Party Transactions

The Company had a non-admitted receivable from parent, subsidiaries, and affiliates in the amount of \$4,669,106. This amount included a receivable from HWC in the amount of \$1,265,301 and a receivable from HOW in the amount of \$3,403,805. These balances were written off during the calendar quarter ending June 30, 2013.

### 8. Leases

The Company is not a direct party to any lease obligations.

### 9. Regulatory Status

The Company was engaged in the business of administering and insuring a home builder warranty protection plan for new homes known as the Home Owners Warranty Program (the "HOW Program"). Before receivership, the HOW Program was available in all states (except Alaska) and the District of Columbia. During the course of receivership, a number of these states have placed restrictions on the Company's authority to write new insurance business. At the inception of the receivership, the Deputy Receiver imposed a moratorium on the issuance of new insurance business which remains in effect.

### 10. Litigation

The following paragraphs provide a summary description of certain litigation, claims and/or applications filed by or against the Company:

- A. The Company, its affiliates, and its insureds were subject to claims litigation or threatened litigation brought under the Company's warranty documents that may have a material effect on the Company's financials. The reserve for litigation or threatened litigation matters reflects only a portion of the potential claims liability, if any, which may arise from litigation or threatened litigation matters. The Deputy Receiver believes that there are meritorious defenses to the litigation or threatened litigation cases. Due to the inherent uncertainty of litigation, the Company's actual liability may vary from its reserved liability for such litigation or threatened litigation matters. The Deputy Receiver has stayed or moved to stay all pending litigation cases that were filed against the Companies.
- B. On or about November 29, 2004, the Deputy Receiver filed with the Commission an "Application for Orders Setting Hearing on Plans of Liquidation for HOW Insurance Company, a Risk Retention Group, Home Owners Warranty Corporation, and Home Warranty Corporation, Establishing Response Date, Approving Plans of Liquidation (the "Plan"), Approving Claims Bar Date, and Related Matters" (the "Application"). The Plan may be summarized by the following key parts:
  - (1) HOWIC will be liquidated under a tax-free exchange plan of liquidation.
  - (2) Member builders of HWC will be paid the return of their capital contributions in HWC, as and when HWC has sufficient assets, provided that such member builders are eligible builders as defined by the HOW member builder program. Ineligible builders, as defined by the HOW member builder program, will not receive the return of their capital contributions from HWC.
  - (3) All of HOWIC's claims will be finally paid and adjudicated within a three-year period following the commencement of the Plan.
  - (4) Interest will be paid on all home owner claims that had been deferred since the inception of the receivership. General creditor claims of the Companies will also be paid.
  - (5) Member builders (as of the receivership date) will be eligible for payment by HWC, as and when it has available assets, for their equity in HWC based on a two-part formula. The fixed portion of the formula will pay all member builders on a per capita basis for having been a member builder in HWC as of the receivership date. The variable portion of the formula will allocate payments based on the builder's relative profitability contributions to the HOW Companies.
  - (6) The Deputy Receiver will retain assets of HWC for administrative expenses, taxes, and other contingencies before the final amounts are paid from HWC's assets. A trust (the "Trust") will be created for funds that must be escheated to state jurisdictions. Following the payment of all liabilities and amounts required for member builders' equity in HWC, the receivership estate of the Companies will be closed. The Trust will be dissolved when all escheat funds have been paid to state jurisdictions.

On December 27, 2004, the Commission entered an order setting a hearing on the Application for May 17, 2005. On July 13, 2005, the Commission entered its Order Approving Plans of Liquidation in which it largely approved the Deputy Receiver's Application. The Commission ordered that further efforts to rehabilitate the Companies would be useless and that they should be liquidated in accordance with the Plan proposed in the Application, subject to a modification with respect to the Fixed and Variable Components for the payment of the member builders' equity in HWC. For the member builders' equity in HWC, the Commission ordered that such equity should be allocated as follows: 25% of the residual assets to the Fixed Component, with 75% of the residual assets allocated to the Variable Component.

Further, the Commission ordered that the only former members of HWC who are entitled to a refund of capital contributions pursuant to the builder agreements are those whose capital contributions vested pursuant to the terms of the builder agreements, and who either: (i) after the inception of the receivership, had their builder agreements terminated automatically during 1994 and 1995 upon expiration of their builder

agreements' one-year terms; or (ii) voluntarily terminated their builder agreements before the inception of receivership, or prior to the date that such builder agreements would have terminated automatically during 1994 or 1995 upon expiration of their one-year terms, and who at the time of termination had been members in good standing for at least five consecutive years (collectively, "Eligible Builders"); (iii) member builders who were in good standing as of October 14, 1994, but who had not been members in good standing for at least five continuous years as of the date their builder agreements were terminated automatically for non-renewal; and (iv) member builders who were terminated only for filing bankruptcy prior to receivership. Also, as proposed in the Application, the Commission ordered that the parties entitled to residual assets are those parties who were HOWIC insureds as of the date of the receivership order, regardless of whether or not they are Eligible Builders.

The Commission also authorized the Deputy Receiver to establish by directive a period for filing proofs of claim against the Companies and a final bar date. The Commission directed the Deputy Receiver, upon completion of the liquidation and dissolution of the Companies, to file a request with the Commission for approval to terminate and close the receivership proceeding.

To begin implementation of the Order Approving Plans of Liquidation, the Deputy Receiver established January 12, 2009, as the deadline (the "Bar Date") by which all claims against the Companies (including contingent or unliquidated claims) must have been filed. Notice of the claims Bar Date was provided by direct mail or publication notice to parties interested in the affairs of the receivership. Claims that have previously been approved, resolved, or paid by the Deputy Receiver were not required to be re-filed with the Companies before the Bar Date.

Late filed claims are barred from sharing in the assets of the Companies until timely approved claims are paid in full. Claims against the assets of the Companies (unless exempted from filing as described below) must have been received by the Deputy Receiver on or before the Bar Date.

Only the following claims were exempt from the final Bar Date and were not to be filed with the Deputy Receiver:

- 1. Claims that were previously approved, resolved, or paid by the Deputy Receiver as described above;
- 2. Proper administrative expense claims (*i.e.*, claims for payment of services rendered, or goods supplied, to the Companies at the request of the Deputy Receiver after October 14, 1994);
- 3. Claims by builders for loss reserve deposits or release of letters of credit; and
- 4. Claims by builders for a share of the residual assets of the Companies.

The Companies were originally organized and owned by member builders who enrolled their newly built homes in the HOW Program so that such homes may receive warranty and major structural defect insurance coverage. When builders registered to become member builders in the HOW Program, including renewals of such registrations, they paid membership capital contributions to the Companies. The capital contributions were separate from the insurance premiums paid for the enrolled homes. Claims by builders for return of builder capital contributions were required to be filed before the final Bar Date to preserve such claims. However, builders were not required to submit claims for a share of the residual assets of the Companies, since such distributions will be calculated automatically by the Deputy Receiver's representatives. The amount of residual assets that can be distributed to builders is unknown, and this will not be fully known until the end of the liquidation process for the Companies. The manner in which such distributions are calculated is governed by the terms of the Order Approving Plans of Liquidation.

Claims filed after the Bar Date will be barred from sharing in the assets of the Companies until timely approved claims are paid in full, unless the claims are exempt from the claims Bar Date as described above. Claim payments made by the Deputy Receiver that cannot be properly delivered and are not claimed before closure of the receivership, will be governed by applicable state laws governing the disposition of unclaimed property.

The Bar Date has passed, and claims are now being reviewed and adjudicated. As of December 31, 2014, 599 proofs of claim have been filed. Of these 599 claims, 234 are home owners, 183 are builders, 82 are general creditors, and 100 are non-eligible builders. The third-party claims administrator, Crawford & Company, has closed 349 claims through December 31, 2014, including all 234 home owner claims.

In furtherance of the Plan, articles of dissolution for HOWIC were filed on October 27, 2014. The Commission issued a certificate of dissolution for HOWIC effective November 18, 2014. Consequently, HOWIC continues to exist but may not carry on any business except that appropriate to wind up and liquidate its business and affairs. With the transfer of assets to HWC complete, in early 2015, articles of termination for HOWIC were filed with the Commission.

Once the Commission issues a certificate of termination for HOWIC, the Deputy Receiver will issue a directive adopting and implementing the HOW/HWC Plan of Liquidation. As part of the HOW/HWC Plan of Liquidation, the Deputy Receiver currently estimates beginning payment of all approved claims of the Companies filed before the Bar Date that have been liquidated (including the refund of vested capital contributions to Eligible Builders), plus interest, by the second quarter of 2015. The distribution of residual assets is the last step of the HOW/HWC Plan of Liquidation. The Deputy Receiver currently estimates that the last federal tax return will be filed for the 2016 taxable year in 2017. Once the final federal tax return has been filed, the Deputy Receiver will file a Notice of Prompt Assessment with the IRS. The IRS will have eighteen (18) months to respond to that notice. Once the Deputy Receiver has resolved all IRS issues, residual assets will be distributed and the estate closed.

11. The Company has entered into an agreement with Compagnie Euro Paris ("Compagnie"), in Liquidation, in which it has agreed to accept a 25% settlement of its claims. The Company agreed to accept \$26,250, but the amount was not paid and Compagnie still owes the Company approximately \$105,000 under the applicable reinsurance agreement. The Company has filed a proof of debt in the liquidation proceeding of Compagnie for the \$105,000 debt, but it is not known what amount, if any, will be paid by Compagnie on such debt.
